The INGOT-1974

What is an ingot?

It is:

1. A mass of metal shaped for convenience in storage or transportation.
2. A casting mold for metal. (Middle English, ingot, mass of metal, "Something poured into (the mold)"; in, i n + Old English gotin, past participle of geotan, to pour, cast in Metal.)

This is an ingot as defined in the dictionary. To us at Granite City High School/North, the term, Ingot, has a similar meaning.

Our yearbook is an Ingot, in the sense that the raw ore of school activities is taken by the yearbook staff and processed, so as to make North's operation intelligible to the reader. Envision then, a smelting operation, whereby the activities of the administration, faculty, student body, and other personnel, are analyzed, and finally formed into a convenient shape for reference and future storage.

The Ingot is a casting of the educational experience at North, fired by the energies of the young men and women who will soon become the mature steel of our society—steel of the finest temper and quality!

Gilbert V. Walmsley, Principal High School/North

Mr. Walmsley was born on January 15, 1939 in East Alton, Illinois. He attended East Alton elementary schools, and graduated from East Alton-Wood River Community High School. He graduated from Southern Illinois University at Carbondale, in 1962, with a Bachelor of Science degree in Industrial Arts and Safety Education. He attended night school at S.I.U., Edwardsville, from 1962-65, in order to acquire a Master of Science degree in School Administration and Guidance. Prior to entering teaching in 1962, he worked as a production foreman at the Olin-Matheson plant in East Alton, Illinois.

In 1962, he began teaching Industrial Arts at Roosevelt High School in St. Louis. The following year, he came to Granite City Senior High School as an Industrial Arts and Driver's Education teacher. From 1965-67, he was a Guidance Counselor at the Senior High. In 1967, he became Assistant Principal at the Senior High School. In 1970, he became Principal of Prather Junior High, serving as principal there until he was named Principal-Elect of Granite City High School/North, in 1972. During the year 1972-73, he supervised the design, building, and staffing of the new school, and this year he became the first principal of North High. We wish him much luck and success in his new position.

Coaches Comment:

This year, the Granite City North Steelers got off to a slow start with a very young team, losing their first four games. However, with the advantage of having three returning lettermen, who could help the maturing young players, the Steelers turned their season around, and won four games in a row. In this four game winning streak, the Steelers beat two of the powerful southwestern teams. We were the only team to shut out Edwardsville in their last twenty-six outings. Because of these four victories, the Steelers were ranked number ten in the area for large schools, IN THEIR FIRST YEAR OF COMPETITION. We look forward to yet better things ahead! "Thanks," to the eight departing Seniors. We will carry forth the winning ways you have begun.

Coach's Comments:

Some people have ability and some have ambition. Those who succeed have both. The road traveled by the first team to play under the Steeler banner was not an easy one. They were attending a new school; had a new coach who taught a new style of play; and, they didn't have a soccer field to call their own. Practice sessions were held in an open field (no goal posts or boundary lines) about 1½ miles from school and the team ran to and from practice. That's ambition!

The Steelers compiled a season record of 19-5-1; they were ranked 6th in the state of Illinois; scored 60 goals, while allowing only 17 to be scored against them, and shut-out opponents in 15 of their 25 games. That's Ability!

The 1973 Steeler Soccer Club has left its mark—it will not be an easy job for future Steelers to reach. Well done lads!

Wrestling

Coaches Comments

Organization was the prime concern in the beginning, as we were a new team, but we quickly found some wrestlers who liked to win. We are fortunate in having most of our team back for next year. Our starting juniors are Randy Hartline, Neil Pierson, Eric Schmisser, Jim Starling, Bill Carr, Dave Whitsett, Dave Hamilos, and Jim Barker. Senior varsity wrestlers are Rudy Pyle, Chester Fetter, John Hankins, and John McMillon. Juniors Terry Johnson and Rick Morlen and senior Phil Shands have also seen action during the year.

We had a tough dual meet schedule this year along with two tournaments. In tournaments we were second at Quincy and third out of sixteen teams at the South Holiday Tourney. We are now getting ready for the District and Sectional tournaments and hope to get someone to state!

Our season has been a good one and the boys have come through with a good job for our first season. We are looking for good things next year.

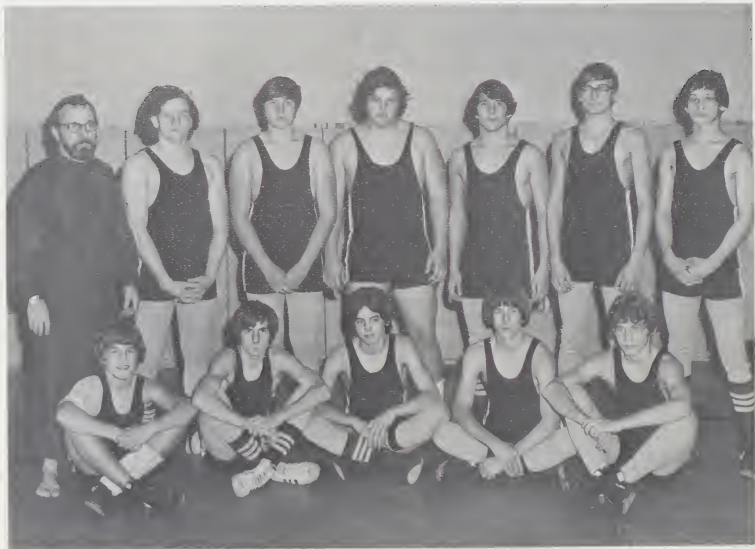

Team Captains are John McMillion and Chester Fetter along with Coach Walt Whitaker.

The POSH NOSH gives all students the opportunity to publish their writing. This literary magazine, made up of material chosen from all the writing done by students in the school, highlights the best writing. Publication through the Freshman and Sophomore accelerated composition classes during the Fall semester and the Senior advanced composition class during the Spring semester offers students editorial and production experience. Faculty members who supervised the publication of the POSH NOSH this year are Mrs. Peggy Tucker, Mr. Jerry Rhodes, and Mrs. Donna Cowan.

Granite City High School North Concert Band 1974

Mr. Robert D. Todoroff, Conductor.

Our school band, under the direction of Robert Todoroff, is one the students should be proud of. It plays at various events, including Pep rallies, and basketball games. It presents several concerts throughout the year. The band presented the first of its 'Pop & Pretzel' concerts to a capacity audience this year.

Latin Club

Latin Societas was established on February 26, 1974. Its purpose is to help its members enjoy their study of Latin, as well as to enlarge their knowledge of the Roman world. It meets every other Tuesday afternoon after school. This year's officers are Sandra Batey, President; Anita Turner, Vice-president; Jim Matbis, Secretary; Jeff Nicholas, Treasurer; and Mrs. Arkebauer, Advisor. Latin Club also observes the Ides of March and St. Patrick's Day. In the spring a Roman banquet is held.

Yearbook Editors

The work of the Yearbook Staff is to put together the INGOT Yearbook. As in all other publications, this process involves editors, typists, many long hours of work, and above all else: DEADLINES that must be met! The advisor is Mr. Robert Johnson. The Editor-in-Chief is Cyndy Davis and her Assistant Editor is Debbie Winfield.

A New Experience

Even though Granite City North is a new school, which seeks to implement new ideas, it is already becoming a pleasant memory to those of us who are leaving it.

This year the INGOT has an entirely new and inexperienced staff, but even so, this book is proof that our goal has been reached. Our editors who produce the various sections of the book have been our mainstay, but the job could not have been completed without the help of staff members who were non-editors: Randy Moore, Russell Lewis, Rudy Pyle, Rick Dickerson, Debbie Oliver, Rene Williams, Janet Bunselmeyer, Mike Davis, Elizabeth Dorogbozi, Donna Eberton, Nina Failoni, Lisa Gracey, John Hursey, Sharon Koesterer, Marla McGarvey, Barb Siebert, Anita Simmers, Cindy Smith, Betty Smith, and Jamie Stevens.

We would also like to thank Mr. Robert Johnson for his guidance and experienced advice in the production of this book.

We hope that the 1974 INGOT will enable you to look back on the first year on North's existence, as the most pleasant of memories.

Good Luck to the "1974" graduates!

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office of National Statistics 1999). The number of people aged 65 and over is projected to increase to 6.5 million by 2011, and the number of people aged 75 and over to 4.5 million (Office of National Statistics 1999).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (1999) has published a strategy for ageing, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and support they need; and (3) to ensure that older people are treated with respect and dignity. The strategy is a key document for the development of policies and services for older people in the UK.
